Casamira's Corner

The Pun is Mightier Than the Sword!

I found the story of a perverted pedicurist who would break into a Duke's manor house and trim their nails while they were sleeping. Probably a clip toe maniac.

Message from the Baron and Baroness

Unto the Most Ancient Barony of Loch Salann do We, Dunkr and Oonaugh, send greetings!

To Arms! The campaign season is upon us, and your Baron and Baroness are asking all able bodied fighters to join us on the heavy and rapier field, all artisans to sharpen your needles and quilts! Throwers and Archers, steady your aim, for madness, uprising, and war looms over the horizon!

May found us in Provence for their celebration of Arabian Nights; attendees found themselves inundated with mercenaries from the legendary Black Company. Members of the Loch and Provence joined forces to drive them from the castle walls. HE Oonaugh won Lady Perwyr's Archery tournament (by just 3 points, over a fiercely competitive and ruggedly handsome competitor) and took home a prize for "the most period looking" for a bag she constructed during the Siege A&S competition.

Later in the month, Oonaugh quested into Gryphon's lair with many members of the Barony, in search of the Mary Rose. With support from both baronies, it is believed that the many mysteries of the Mary Rose have finally been laid to rest.

As I write this, Melee is a few days away, and Uprising right on its tail! At Uprising, we will be holding Baronial court on Thursday night, and we will be having a party in the encampment following court. Please feel free to join us!

FantasyCon will take place July 3, 4, 5th and will be biggest audience we will be able to present the SCA to this year. We are really excited about this and would love anyone who can come and help out with the booth/parade/demo to let us know!

We are also planning demos at the Salt Lake City Farmer market on Sep 27th and Oct 11th, and will need individuals to fight (heavy and rapier) and staff a booth to introduce people to the SCA. If you are interested, please contact Her Excellency Vigdis.

I am making plans at this time to attend Great Western War in October as we wind down the campaign season. If any wish to join me, please let me know and we can begin making plans.

This past month, our good friends Ryryd and Anna have announced that they will be relocating to Atenveldt. As many of you know, Anna has served as our Baronial Exchequer, and will be handing the office off to Lady Aingeal in June. We wish Their Excellencies the best in Atenveldt, and appreciate the continuous efforts of Lady Aingeal.

Dunkr Ormrhandleggr & Oonaugh Inghean Glaisne
- Baron and Baroness of Loch-Salann

SENESCHAL

The rays of the Summer sun has begun to shatter our familiar days of Spring. The Spring weather can still be found in the mountains but down here in the valleys around of our ancient barony, it appears as if it will be a long and hot summer. Fighter practice is in full swing at the summer site of Sugarhouse Park and archery is now at two different sites. One practice is in town at the archery range and the other is at a new outdoor site, 13076 South Wheatfield Way (40 West), in Draper. Be safe as you go about your Summer activities (Medieval and otherwise) and KEEP HYDRATED!!!

The camping season has officially launched here in the barony, with Melee Madness - June 7th. Word has it that Their Royal Majesties will be gracing us with Their presence. The weeks are just flying by, and Uprising will be here soon! I hope there is a good deal of the populace of Loch Salann able to travel to Uprising. This event is always proven to be one of the Kingdom's highlight events.

I have heard rumors that the everlasting peace that exists between Loch Salann and Gryphon's Lair has suffer a little bit discord and is in a state of unrest. I fear that should this situation continue on the current course we may be looking at another Baron's War. So be prepared noble fighter's of the barony.

I am still looking for an event steward for Defender's Tourney 2015. We currently have event stewards for all of the barony's events through 2014.

Once again, as our events and practices move outside, I urge parents to stay ever vigilant over their children, know where they are, who they are with, and what they are doing at all times. While we have the utmost trust in our SCA family, the everyday world / people can be very unpredictable and our children's safety should be of the utmost priority. I would also like to remind parents that youth activities are for the enjoyment and enrichment of our youth. Our youth officers are not a babysitting service and have enough on their plates just holding the activities – they do not need to be the caretakers of your children, so I urge you to attend the activities with your children.

And here again is your seneschal's all wise and prudent saying: Please be safe and above all courteous in your travels. Remember that you not only represent yourself but your represent the Barony of Loch Salann as well.

Respectfully In Service to the Dream,

Baroness Sheelaegh mac Cathail
Seneschal – Barony of loch Salann

Uprising 2014- Barony Camp

Greetings to the Barony of Loch Salann,

Their Excellences Dunkr and Oonaugh have agreed to allow us to host the Barony for this upcoming Uprising in June.

We have some great plans that we are working on and we are really excited to have as many members of the barony who would like to participate join in the fun.

We will be starting the camp at uprising this year on Wednesday and we are planning on packing out Sunday. We are planning a party for Thursday Night and we have some great meals in the works. Please make sure as you pre-register for Uprising that you sign up as part of the Barony of Loch Salann. This will help us to make sure that we get a sufficient space for everyone.

For breakfast we do a simple egg sausage and cheese sandwich on English muffins. It tends to be a bit flexible as we make sure we are prepared for handling peoples food allergies there is always enough for everyone.

Lunches will be a very simple affair. We make simple sack lunches for everyone in the kitchen. They consist of a serving of sandwich meats, a cheese stick, a pickle and a piece of fruit. There are always breads available if you would like to make your sack lunch into a sandwich but we have found that this make an easy portable lunch for everyone's busy day. Dinners have a bit more variety.

Wednesday we have a Soup, Bread and Cheese night. This is the night were a lot of people are rolling in so we keep the home fires burning and the pot on the boil while we help everyone get set up.

Thursday chili pileup night. This is a simple chili served over corn chips with a bit of a variety of things to put on top to make it more to your taste. We are also going to have a few extras available to go along with our Thursday Party.

Friday Chicken Stir Fry with rice and lots of Veggies.

Saturday Bangers and Mash. Delicious chicken and cheese sausages served with tasty mashed potatoes and onion gravy. We will have a few desserts on the menu as we get a bit closer.

Kitchen Charges will be **\$15.00 per day** plus a **5.00 per person** camp charge. The camp charge covers incidentals and amenities like propane for lanterns and the fire pit and the like.

Please let us know as soon as possible if you are planning on joining their Excellences and the barony this year.

Thank you,

Raven and Sajah and Domus Opus

Baron's War

One Machiavellian scheme after another has plagued our fair realm. Plot and counterplot.; lies, tricks, and deceit. It seems as if we are no longer in fair Artemisia but in Constantinople and the Byzantine Empire; that ancient land of intrigue. It will not be long until war erupts. The main antagonists in this sordid affair are the beautiful Barony of Gryphon's Lair and the most honorable and ancient Barony of Loch Salaan; however, in this perfectly Byzantine mess, any court or landed Baron may sponsor fighters and lead them in to battle... to further their own schemes or those of their allies.

Join us as the Barons air their grievances in red war. This war will take place within the borders of Gryphon's Lair at the Mount Ogden Archery range from August 8th – 10th, 2014.

Site: Mount Ogden Archery Range – Stoddard, UT

Directions:

Address is approximately 1257 West Old Highway Rd in Morgan UT; Take your best route to I-84 in South Weber, Utah. From I-84 take exit 96 (Peterson/Stoddard). Follow the signs toward Stoddard. From the West, turn left, then at the 'T', turn right. About a mile down the road you will see the range on your right. Turn right at the Mount Ogden Archery gate.
